## **CHILD SWIMMING LESSONS - NEW ENROLMENT FORM**

Dear Parent / Guardian

Thank you for your enquiry about our **SWIM LIFE** Learn to swim programme. We have now established a full teaching programme that provides a wide variety of lessons for children of all ages and abilities. Due to the pool size and space available, we are able to offer classes of different abilities running concurrently during the day; this, in turn, allows siblings and friends to swim at the 'same time' or close together.

We have a very successful Learn to Swim programme here at the AquaSplash with highly qualified Instructor's led by Sally Minty-Gravett who herself has over 36 years teaching experience.

We cater for all ages and abilities and teach everyday except Sundays. We run classes but are also able to offer 'One to One' teaching. During school holidays (except Christmas time) we run Intensive courses as well.

If you would like your child(ren) to join the programme please complete and return the attached enrolment form as fully as possible; payment will be requested once a place has been found; this will be by letter or email to you..

### **Please note the following:**

The length of each course will vary depending on the current school term. Our courses coincide with these. Fees will therefore depend on when you are able to start.

You can either pay by the term for these fees – or take out our **SWIM LIFE** membership – which includes swimming lessons for one year **PLUS** free adult membership as well; this is for any number of children in the family. This can be paid in total upfront – or by Direct Debit payments.

Please note – the 4<sup>th</sup> or more children are **free of charge if their siblings are having lessons as well** – this is regardless of the method of payment.

I look forward to welcoming you or your children into lessons with us in the near future. Please do not hesitate to contact me if you have any queries.

Kind regards

*Sally Minty-Gravett*
